

SANTA CLARA COUNTY REENTRY SERVICES

“SEAMLESS SYSTEM OF SERVICES, SUPPORT AND SUPERVISION”

Ready to Change: Promoting Safety and Health for
the Whole Community

Vision/Mission

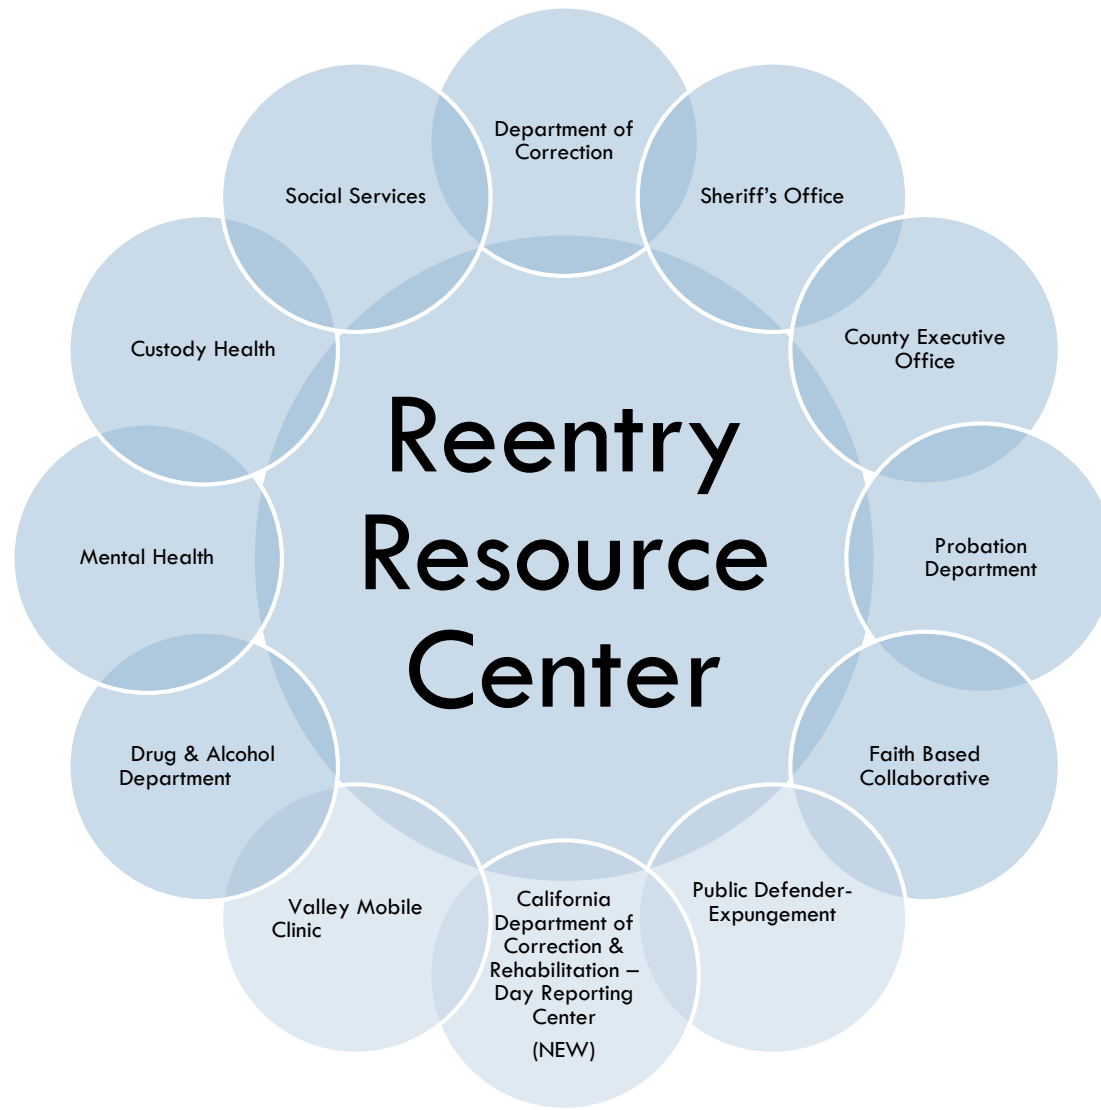

Vision

Build safer communities and strengthen families through successful reintegration and reentry of formerly incarcerated individuals back into Santa Clara County.

Mission

To reduce recidivism by using evidence-based practices in implementing a seamless system of services, supports, and supervision.

A Model of Cross-Systems Collaboration

Reentry Resource Center

RRC Programs Offered by Partners-**Sheriff/DOC**

- **Custody Alternative Supervision Unit (CASU)**, provides supervision and support to the Custody Alternative Supervision Program (CASP) participants under PC1170(H).
- **Reentry Correction Program (RCP)**, Phase II provides Behavioral Modification classes with Milpitas Adult Education Partner, Trauma Recovery with Custody Health, Case Management by DOC Rehabilitation Officers, and Supervision by Sheriff's Office Deputies.
- **Public Service Program (PSP)**, the Court and Sheriff's Office Inmate Screening Unit identifies individuals for participants to live at home and complete jail sentence by working at Department of Correction pre-approved community work site.
- **Weekend Work Program (WWP)**, a court mandated program for low-risk offenders.

RRC Programs Offered by Partners- **Probation, MAP & FBC**

Probation

- Onsite Intake and Assessment for AB109: PRCS/1170 Individuals.

Multi Agency Program (MAP) Team

- Mental Health, DADS, Custody Health, & Social Services Agency are providing Health & Human Services through screening, assessment, referral, and linkage to county programs.

Faith Based Collaborative – Mental Health Department

- 3 funded Reentry Resource Centers to community based organizations located in the different regions of Santa Clara County providing basic needs and program support to those exiting the Federal, State, and County correction systems.

RRC Visitors by Program

- **1,040 AB109** - Clients (PRCS + 1170H released) come through the Reentry Resource Center.
- **903** - Supervised (PRCS 7 1170(H))
- **15-30** - Individuals (Prop. 36, State Parolees) seen daily
- **70-90** - Individuals will be seen at the Reentry Resource Center once it becomes State Parolee Day Reporting Center.

RRC Program: Outreach Court

Judge Manley provides Outreach Court in Partnership with FBC that reaches **34 reentry clients** every six weeks beginning in July 2013 having fines & fees waived for Community Service, and obtaining drivers licenses.

Strategic Priorities: Housing

Housing

To improve short- and long-term affordable housing for formerly incarcerated individuals who are at moderate or high risk of recidivating in Santa Clara County.

\$4 million in one-time Public Safety Realignment fund has been allocated toward housing strategies for reentry population.

- Custody Health Higher User Initiative
- Homeless Prevention and Emergency Assistance
- Rapid Rehousing for Families with Children
- New Proposition 36 Rental Assistance Program
- Solutions for 290 Registrants

Strategic Priorities: Education

Education

To increase educational opportunities for moderate- and high-risk offenders in custody and in the community.

Milpitas Adult Education (MAE) has been selected to provide educational services. Their services will include:

- Educational Assessment
- Adult Literacy
- Computer Literacy
- GED Preparation and Testing
- High School Diploma Program
- ESL Classes
- Special Education Services
- Establish a Resource Library at the Reentry Resource Center

Strategic Priorities: Employment

Employment

To increase the number and percentage of formerly incarcerated individuals successfully participating in and completing job training/preparation programs that will lead to gainful employment.

Goodwill, Catholic Charities and InnVision Shelter Network have been selected to provide employment and vocational services. Their services include:

- Job Readiness
- Employment Participation
- Job Search Assistance
- Subsidized On-the-Job-Training
- Job Placement
- Peer Mentors
- Sustainability Initiative (FAF)

Strategic Priorities: Family Reunification & Support

Family Reunification & Support

To promote familial support and reunification for moderate- and high-risk offenders and reduce the impact of incarceration on their children.

Community Solutions has been selected to provide family engagement and reunification services. Their services include:

- Positive relationships with family members and other pro-social supports.
- **First 5 Therapeutic Services** support families who face serious barriers to their child's healthy development by focusing on self-esteem, building positive-child relationships and health social/emotional development.
- **Hosts Family Action Night** every six weeks

Strategic Priorities: Family Reunification & Support

Parent and Children Together (PACT) Program, a positive parenting class, expands to the men's unit with 25 individuals participating.

Strategic Priorities: Health & Well-being

Mental Health

To enhance the accessibility of mental health treatment services and medications for all ex-offenders after release.

Substance Abuse

To enhance the accessibility of substance abuse treatment services for all ex-offenders after release.

Health

To enhance accessibility to needed health care services for all ex-offenders after release by enrolling ex-offenders in Medicaid or other health benefits, if they meet eligibility criteria.

Mobile Medical Van

- Provide access to primary care services

Substance Abuse

- Increase the number of residential treatment beds

The Future (next 6 months)

- Improve access to psychiatric services with on-site psychiatry
- Improve hand off of high-risk in-custody patients
- Increase clinic days at the Reentry Center
- Health Education and Outreach: classes for CASU, flu clinics.

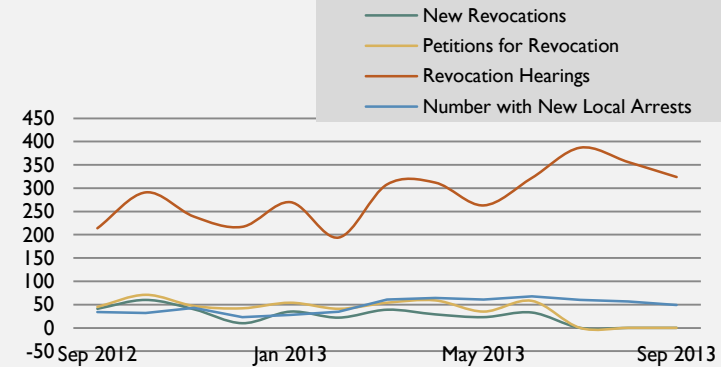

Mobile Medical Clinic
