How to Identify Best Practices

Martin Gonzalez

Executive Director

Institute for Local Government

ILG **INSTITUTE** FOR **LOCAL GOVERNMENT**
FOUNDED 1955

Hierarchy of Evidence
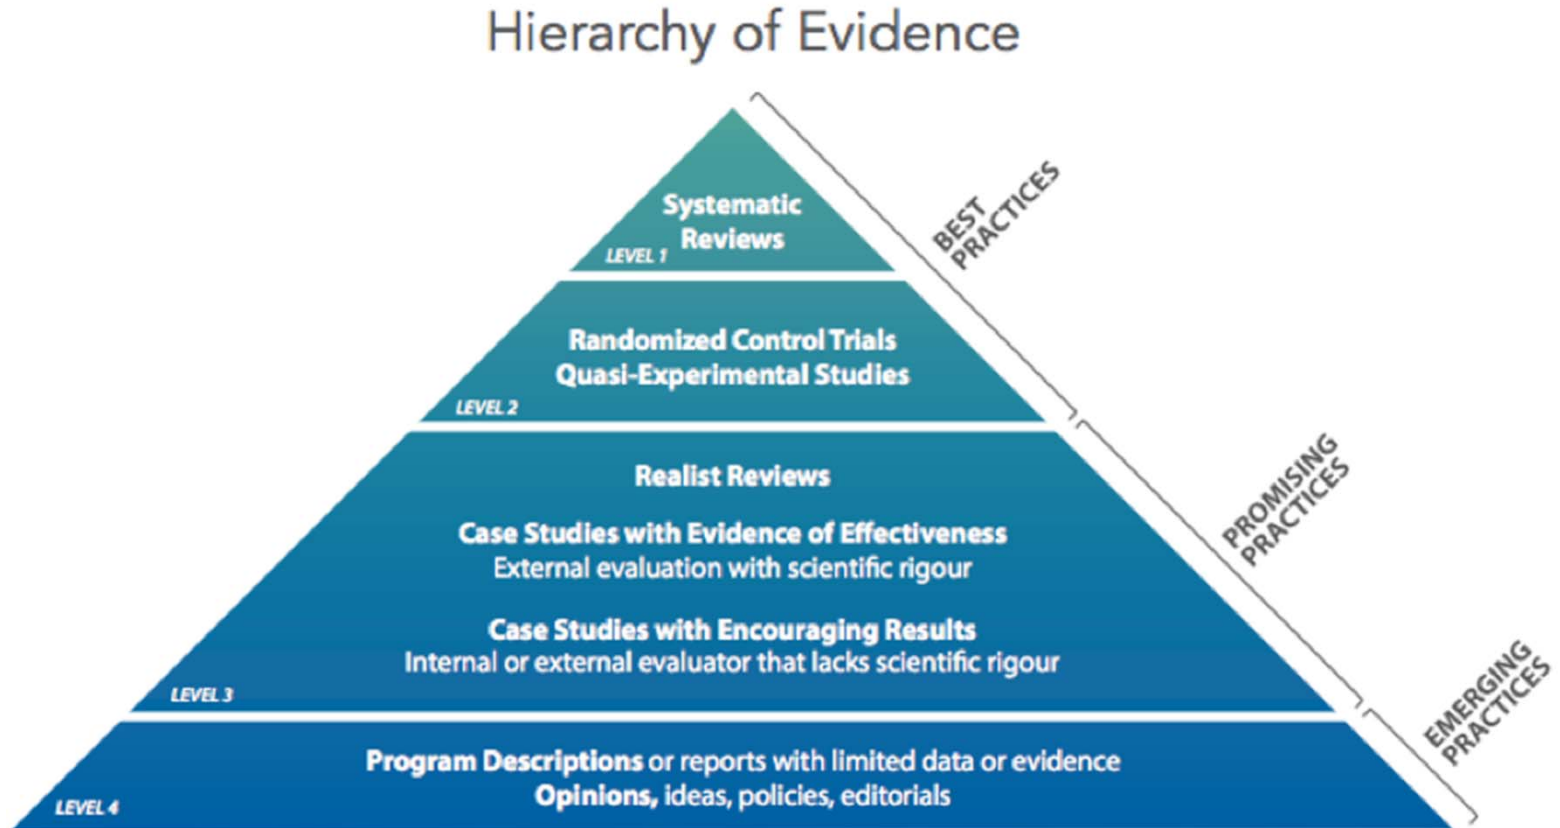

Source: The Homeless Hub

Target Populations

- **Families**
- **Unaccompanied Children and Youth**
- **Veterans**
- **Substance Abuse**

- **Chronically Homeless**
- **Former Incarcerated**
- **Mentally Ill**
- **Other**

Instructions: Use your dots to indicate which target populations we should prioritize. You may put all three dots on one group or place them on different groups

ILG

Service Providers

Cities	Collaborative Efforts	Counties
Non-Profits	Faith-Based Organizations	Other?

ILG

Approaches

- **Emergency Shelter**
- **Housing Assistance**
- **Permanent supportive housing**

- **Housing First**
- **Rapid Re-Housing**
- **Tiny Homes**
- **Other?**

Instructions: In small groups (2-3) discuss which approaches you think are most effective. Then report out to the full group.

ILG

Governance: Planning, Funding and Accountability

Planning

- Strategic Planning
- Community Plans

Funding

- Federal
- State
- Local

Prevention and Diversion

How You Can Help

Share your story

- Case stories
- Conference sessions

Forward stories from your colleagues

Surface best/promising/emerging practices
